PREPARING FOR YOUR APPOINTMENT

Upper Abdomen Ultrasound

Nothing to eat, drink or smoke 6 hours prior to appointment.

Renal Ultrasound

Nothing to eat, drink or smoke 6 hours prior to appointment.
Please drink 600ml of water at least one hour before your examination and then not empty your bladder before your scan.

Breast, Musculoskeletal or Thyroid Ultrasound

No preparation required.

Gynaecological Ultrasound

Please drink 600ml of water at least one hour before your examination and then not empty your bladder before your scan.

Obstetric Ultrasound

Please drink 600ml of water at least one hour before your examination and then not empty your bladder before your scan. If you are more than 24 weeks pregnant, you may require less fluid to fill your bladder.

Mammography

For your comfort, we recommend that you do not have this examination performed pre-menstrually. Please do not use an aluminium-based talc or underarm deodorant on the day of your appointment.

Fine Needle Aspiration, Core Biopsy or Mammotomy

Please ensure that any relevant ultrasound or mammograms can be reviewed by our Radiologist at least 24 hours prior to appointment, to allow for appropriate procedural planning.

Guided Pre-Operative Wire Localisation

Fasting as directed by surgeon or anaesthetist. Please ensure that any relevant ultrasound or mammograms can be reviewed by our Radiologist at least 24 hours prior to appointment, to allow for appropriate procedural planning.

Amniocentesis or Chorionic Villus Sampling

Please provide your blood group. Please drink 600ml of water at least one hour before your examination and then not empty your bladder before your scan.

Tubal Patency Assessment, Sonohysterography or Endovaginal Guided Pelvic Drainage or Aspiration

Our booking consultants will advise you of preparation requirements when scheduling your appointment.

Your practitioner has recommended you attend Diagnostic Imaging for Women. You may choose another provider, but please discuss this with your practitioner first.

YOUR APPOINTMENT

Date

Time

If you are unable to keep this appointment, kindly give 24 hours notice.

What to bring to your appointment

Please bring this request form and previous relevant medical imaging.

Disorders, allergies and/or medications

Before your appointment, please advise our staff of any allergies or disorders that may affect your examination or procedure. Please also advise our staff of any medication you are currently taking.

Getting here

Once you are on the Queen Street Mall, the entrance to our building is between Vodafone and Swarovski, adjacent to Jimmy's on the Mall. Take the elevators to Level 2.

Parking

If you are driving to your appointment, paid parking is available at Wilson Parking, 140 Elizabeth Street. Take the carpark elevators to Ground Level, turn left and head up the stairs continuing past Vapiano's Italian Restaurant and Gino's Coffee Shop until you reach another set of elevators. Take the elevators to Level 2.
